

- ❓ Do you ship **REEFER** containers?
- ❓ Do you operate **CHARTERED** as well as **OWN vessels**?
- ❓ Can you provide a **BAYPLAN** and **BOOKING LIST** by EDI?
- ❓ Do you carry **SOC** or **PARTNER** reefers onboard?

With arl-shipping.com's Reefer Monitor app your onboard deck crew log reefer status on their mobile phone while doing daily rounds in reefer bays onboard, sync'ing all loggings to your shoreside operations centre.
